Scrum Master Bootcamp
Duration: 1 - 2 days Live Online

Course Overview

This course will be run as a face to face in-class event only when it is confirmed safe to do so.

Scrum masters and agile team coaches are important service-leaders and enablers in any company especially those companies that are in their early phase of transformation.

The role of these people can be misunderstood. Their responsibilities and stance may vary depending on the maturity of the teams they are supporting. It is easy to forget that they also need support, space to develop and build a Community of Practice (CoP), socialize, learn and grow together.

Who should attend?

- Scrum Master
- Agile Team Coaches

Prerequisites & pre-reading guidelines

There are no pre-reading requirements for this course. A preparation workshop involving your stakeholders and our Expleo Agile coaches may be required to understand and define your specific skills gaps and requirements.

How certification is earned

On completion of the course delegates will receive an Expleo certificate

Course Objectives

- Learn and develop the role of the Scrum Master/Agile Team Coach.
- Learn how to form a Scrum Master and Agile Team Coach community in your organisation.
- Learn about activities and techniques to help grow your community.

Context

This Bootcamp aims to invite your scrum masters and agile team coaches to form a community of learning, sharing, and growth also known as a Community of Practice (CoP). We will help you form this CoP and share our own wisdom and experience with you.

The scope and content of this can be customised to suit your specific context and company requirements and so the duration may vary from 1 to 2 days.
