

Persuading & Influencing Skills

Duration: 1 day

Course Overview

Welcome to the "Persuading & Influencing Skills" workshop! This dynamic workshop is designed to equip participants with the essential techniques to become persuasive communicators and influential leaders. In today's interconnected world, the ability to persuade and influence others is a valuable skill in various personal and professional situations, such as negotiations, sales, leadership, and teamwork.

In this training, you will learn effective persuasion strategies, the psychology of influence, and communication techniques to engage and motivate others. By the end of this programme, you will have the confidence and competence to navigate diverse social interactions, build strong relationships, and gain buy-in from stakeholders. Whether you are a sales professional, team leader, manager, or individual contributor, this programme will empower you to drive positive change and achieve success through persuasive and influential communication.

Join us for an interactive and practical learning experience that will transform the way you communicate and enhance your ability to influence others positively.

Who should attend?

This programme is ideal for professionals from all industries and roles who want to enhance their persuasion and influencing skills. Whether you are a salesperson, marketer, team leader, project manager, or aspiring leader, this training will benefit you if you seek to improve your ability to communicate persuasively and influence others positively.
