

The Internal Consultant – Skills Development

Duration: 1 day

Course Overview

Welcome to "The Internal Consultant – Skills Development" workshop! This dynamic workshop is designed to equip internal consultants with the essential skills and competencies required to excel in their roles. Whether you are a Human Resources professional, an IT expert, or any other internal specialist providing valuable expertise within your organisation, this training will enhance your consulting capabilities and enable you to deliver greater value to your clients and stakeholders.

As internal consultants, you play a critical role in bridging the gap between specialised knowledge and business needs. This training will empower you with the necessary tools to build strong relationships with your clients, identify business challenges, and provide actionable solutions. Through interactive exercises and practical case studies, you will gain insights into effective consulting techniques, communication strategies, and project management skills, allowing you to thrive in your role as a trusted advisor.

Join us for a transformative learning experience that will elevate your consulting abilities and positively impact your organisation's success. Let's embark on this journey together to unlock your full potential as an internal consultant and drive positive change within your organisation.

Who should attend?

This programme is designed for professionals currently working or transitioning into internal consulting roles within their organisations. Whether you are from HR, IT, finance, operations, or any other specialised area, this training will benefit you if you provide expertise and support to internal clients, projects, or initiatives.

Context

This workshop will empower you with the necessary tools to build strong relationships with your clients, identify business challenges, and provide actionable solutions.

How certification is earned

Upon successful completion of this course, you will be awarded a certificate of attendance from Expleo Academy.
